Announcement – Texas Non Subscriber Producers

JACKSON-LLOYD is excited to announce our revised Texas Occupational Accident Policy (TOAP) through Hartford/Nutmeg Insurance Company!

You have asked or suggested. We have listened. Effective immediately:

The Maximum Any One Employee sub limit for Employers Liability is removed!

The Annual Aggregate Liability Limit has been increased to \$10,000,000!

New Business plus Renewal Accounts will qualify for this form.

Our application process has been streamlined – less paper/less questions!

New Declarations Page layout – much, much simpler to read!

The revised “TOAP” form is now a true Combined Single Limit policy. The policy form is excellent and we are aggressively seeking your business.

Please note that one area has not changed. Our outstanding service and duty to detail will not change.

We want your business. Let us prove how quality, price and service all come together at JACKSON-LLOYD.

Sincerely,

Tommy Lloyd
